- Quality Medication Adherence

Medicare assistance program flyer

Medication assistance at Optum Care Washington

Do you need financial help to start your medications? Or to keep taking them the way your provider prescribed them?

• Rectangular Snip

We have a dedicated medication assistance team that can help with reduced or free medication for qualifying patients.

Examples of medications include, but are not limited to:

- Inhalers
- Insulin
- Oral medication
- Injections
- Infusions

Patients must meet certain requirements including income, household size, and type of health plan, among others.

Contact the patient assistance department at **1-425-317-3653**, TTY **711** to see if you qualify. Or, talk to your provider for more information.
